

## MEET YOUR TOUR GUIDE In Ireland & Scotland: JANE DONALD

*Author, Healer, Photographer*

**BIO:** Jane Donald was born and still lives in County Carlow in the South East of Ireland. One of Jane Donald's main loves is travel with visits and adventures to many countries. Jane Donald combines her love of nature, Sacred sites, gardening, adventure, photography and writing on these holidays. At the age of 26, Jane Donald's health collapsed from Myalgic Encephalomyelitis, a condition known as Post-Viral Chronic Fatigue Syndrome and Immune Dysfunction in North America. She learnt healing techniques to self heal which has now lead to her present work as a healing facilitator and to the channeled writing and photography of her first book called Sacred Messages from Sacred Ireland published in 2010. Jane Donald has released two new books in 2015 called Heart & Light Berlin and Sacred Messages from Sacred Ireland Vol 2. The intention of these 3 books are to be used as a healing tool like you would guidance cards or angel cards. Jane is also a contributing author to the book: [Beyond Certainty: Finding Courage to Embrace the Unknown](#)
